Spring into a New Home! Stockton Floor Plan by The Providence Group! Two story townhome, Lot #163, offers an easy entrance on the main level for both your guests and you with front entry garage, Very convenient for groceries. Private front entrance/foyer on main level with hard surface floors leads you into an open concept with family room, kitchen, and dining. Family room features an 8 ft. sliding door that leads out to a covered patio and fenced backyard. Love the covered patio for rainy days, snowy days, or its too bright out days. Watch your pets and family enjoy the fenced in backyard while grilling out or sipping on coffee all from outside or inside the home. Gourmet kitchen has Stone countertops with large island and on trend light gray cabinets, Cool Stone collection. When heading up to the second floor you, the owners bedroom is in the rear, as you enter your generous sized owners bedroom, you will find a tray ceiling with fan, huge closet for all the clothes, shoes, purses plus more! The owners bath features dual vanities, quartz countertops, tile flooring, linen closet, and frameless walk in shower. Laundry Room is close by on the ...
