Ends October 31, 2025 - Stockton Floor Plan by The Providence Group! New Construction - Lot #164, offers an easy entrance on the main level for both your guests/family and you with front entry garage, very convenient for groceries. Private front entrance/foyer on main level with hard surface floors leads you into an open concept with family room, kitchen, and dining. Family room features an 8 ft sliding door that provides lots of natural light and leads out to a covered patio and fenced backyard. Love the covered patio for rainy days, snowy days, or its too bright out days. Watch your pets and family enjoy the fenced in backyard while grilling out or sipping on coffee all from outside or inside the home. Gourmet kitchen has Quartz countertops with large island and on trend cabinets with the perimeter being a vanilla color and the island a caramel color, Warm Wheat collection. When heading up to the second floor the owner's bedroom is in the rear, as you enter your generous ...
