 2.0 Story

Discover the The Castleberry by The Providence Group! Under Construction with Estimated Completion of November/December 2026! This thoughtfully designed home features an open-concept layout with soaring 10-foot ceilings on the main level, creating a bright and spacious feel throughout. Offering 4 bedrooms, 3 full bathrooms, and approximately 2,445 square feet, this home blends functionality with modern comfort. The main level includes a guest bedroom and a full bathroom with an upgraded walk-in shower—perfect for visitors, a home office, or multi-generational living. The kitchen is ideally positioned at the rear of the home, featuring a window above the sink that overlooks the dining area, making it both practical and inviting. The adjoining family room offers peaceful backyard views and opens to an extended patio, ideal for entertaining or relaxing. Upstairs, the luxurious owner's suite showcases a tray ceiling and a must-see walk-through shower with a built-in drying area. Enjoy separate his-and-hers vanities and dual walk-in closets for added convenience. A versatile media/flex room provides separation and privacy between the owner's suite and the two additional bedrooms, along with a shared full bathroom. \*Home is currently under construction. Photos are from a Castleberry Floor Plan on a separate homesite. Photos shown are ...
