MOVE-IN READY! The Garrison floor is a dream home with its spacious layout, luxurious amenities, and convenient features. Whether you're relaxing indoors or entertaining guests, this home offers the perfect blend of comfort and style. The Cool Stone Design Collection has been chosen for this home. The terrace level provides versatility with a large media room that can serve as a flex space for various activities or as a private fourth bedroom for guests, complete with its own private bath. This level offers flexibility to adapt to your lifestyle needs. On the main floor, the well-designed chef's kitchen with Cool Stone light gray cabinets opens to the family room and dining area, creating an inviting space for gatherings and everyday living. The family room, with its stacked stone quartzite fireplace, adds warmth and charm, while the double doors opening to the large deck extend the living space outdoors, perfect for enjoying the beautiful weather and entertaining guests. A private bedroom with a full bath tucked away on the main floor offers convenience and privacy for guests or family members. The third floor boasts a spacious owner's retreat with a large walk-in closet and a luxurious bathroom featuring a dual vanity ...
